## Notice of Exemptions From Mask and Face Coverings

This Notice of Exemptions is provided as a free tool to protect the rights of citizens. You can download, edit, print and distribute any number of copies without charge. This document may need to be adapted for the specific rules and regulations of each region. Users of this document use this notice at their own risk (just as doing nothing to oppose tyranny comes with its own risks). Users of this document will not hold the author responsible for any consequences resulting from use of this document. Please read [Face Mask Opt-Out](#) for more information.
